# INTRODUCTION

Welcome to the future of expo

**Exhibition displays have been stuck in the dark ages for a long time. Now, 'next generation' fabric solutions have arrived and can help turn your client's shamefully dull display into an attention stealing stellar showpiece.**

Inside, you'll find great display ideas for all types of indoor and outdoor events, festivals, promotions, trade shows and exhibitions.

It doesn't end there. Fabric can also help transform sanitised office environments into stimulating spaces. Take a look at the comfy seating, tables, meeting booths and acoustic screen covers for ideas on how to make the work place a more creative and comfortable place to be.

## FABRIC DISPLAYS

Contains: Fabric covered display stands

**Fabric Displays consist of a strong, lightweight frame and a stretchy printed fabric cover.**

The aluminium frame features a simple 'click together' mechanism (shown below) and each part is numbered to allow quick, straight forward assembly.

The cover is printed on the front and reverse as standard and fits snugly over the frame. It is washable, and extra covers can be ordered separately.

These fabric displays give a superior presence at exhibitions and trade shows and are also ideal to use as permanent indoor office or studio props.

SIMPLE  
MECHANISM

PARTS ARE  
NUMBERED

<b>Product:</b> <b>KESWICK FABRIC STAND</b>

## BACKDROPS

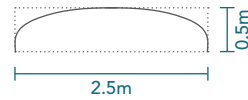

Contains: Large, eye-catching structures

**Backdrops are made up of the same components as fabric displays but offer a much larger display area.**

They are perfect for defining an exhibition area or to section off a large room. They use one continuous graphic which means they completely eliminate the problem of visible join lines commonly encountered on the traditional multi-panel exhibition backdrops.

Available single sided with a white reverse or printed on both sides – giving more room for a promotional message and increasing their functionality.

<b>Product:</b> <b>BERLIN FABRIC BACKDROP</b>	
<b>Features:</b> 2.3 x 2.5m Curved pop-up stand	
<b>Full specification:</b> 2300(h) x 2480(w) x 540(d) mm 260gsm STRETCH fabric cover + frame Full colour front with white or full colour reverse	<b>Normal turnaround:</b> <b>5</b> Working days

## BOOTHS

Contains: Multi-purpose enclosures

**Brand new in the UK. Make a private meeting space in an office area or divide up open plan rooms with these huge fabric Booths.**

Fabric Booths are perfect for exhibitions – just rent a ‘space only’ stand, and use the booth to create an eye-catching one-piece, ready formed stand, printed on all sides.

Using the same construction method as fabric displays and backdrops, these booths can be quickly assembled in exhibition areas or open plan offices.

Choose between the large or small C-shaped booths, medium U-shaped, or the sculptured, sloped booth.

**Product:**

## BEIJING FABRIC BOOTH

**Features:** Sloped booth

# FURNITURE

Contains: Dual purpose, functional products

**Transform empty, open plan office areas with bespoke printed fabric furniture. Choose any design theme – forest, beach, jungle – to inspire and entertain those who use the space.**

When exhibiting or running a promotion, it's essential to have a flat surface to rest a laptop, paperwork, pens or drinks on. Fabric tables provide that useful platform whilst promoting a brand, product or service at the same time.

The seating cubes and beanbags provide fun, informal seating areas at exhibitions or in communal areas around the office and make great accessories for the fabric booths.

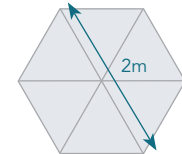

Every inch of the table covers can be printed in full colour, great for branding at an exhibition, trade show or fete.

The table runner is designed to reach just above the floor either side of a 5ft or 6ft trestle table. The tablecloths are designed to reach to the floor at the front and sides of a standard 5ft or 6ft trestle table with a 300mm overhang at the back to allow for access to storage.

Acoustic screen covers can be slipped over free standing room partitions to help reduce background noise.

# FABRIC BOXES

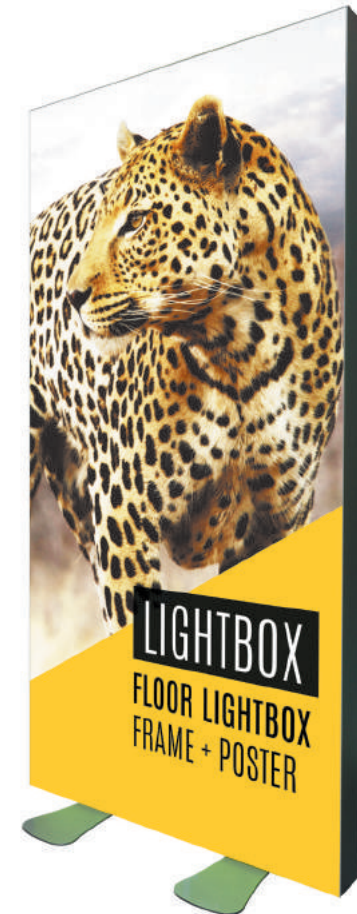

Contains: Light & Wall Boxes

**Turn any corridor or communal area into a mini art gallery with beautiful fabric boxes.**

All types of fabric boxes feature a metal frame, onto which silicon edged fabric graphics can be attached. The graphic extends right to the edge of the frame – giving a large, uninterrupted, display area.

Wall Boxes attach directly to a wall, and Lightboxes are free standing and feature a row of led lights inside the frame which illuminates the image from behind.

## GAZEBOS

Contains: The ultimate branded display

**Gazebos are a versatile product. They provide abundant promotional space as well as shelter at outdoor events.**

Our Gazebos are hot sellers. Ideal for festivals, fetes and farmer's markets. Although they are designed for outdoor use, they're great indoors too - we've seen them used as self-contained exhibition stands. There are lots of options to choose from, which means that you can configure your gazebo exactly how your customer wants it.

First choose which size you need: 3 x 3m, 3 x 4.5m or a massive 3 x 6m. Then choose your canopy. The canopies are available in black, black with a personalised fascia stitched on, or fully personalised. Then choose whether you want any walls - they come in half or full size, single or double sided.

If you're having a printed fascia, canopy or walls, they'll all be printed in fade-resistant full colour inks. Make your message big and bold - the crowds won't be able to miss it!

C

This 3x6m Gazebo is shown with two full height (single sided) back walls, two full height (single sided) side walls and two (single sided) front half height walls. This combination is £1,401.

B

3x3m

C

3x4.5m

C

3x6m

Frame contracts to compact size.

Pull the legs outwards – the frame builds itself.

Pop the canopy on top.

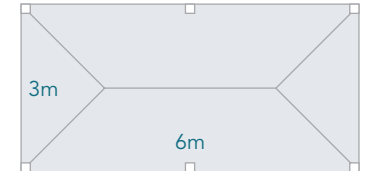

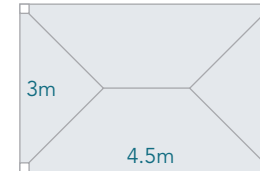

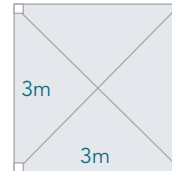

A

Arrange the corners of the canopy.

## 1 Choose your SIZE

Our bestseller is 3m x 3m, bigger than typical domestic gazebos. There's also our double-width 6m edition and for those that like something in-between, the 4.5m edition.

## 2 Choose your CANOPY

Our lowest price is a black unprinted canopy. Upgrade and get the fascia pelmet printed. Or, be bold and opt for the whole top and pelmet printed on all sides.

	3x3m	3x4.5m	3x6m
<b>A</b> Black unprinted	£184 <small>FDSMUMFC</small>	£265 <small>FDSMU4FC</small>	£349 <small>FDSMU6FC</small>
<b>B</b> Fascia printed	£219 <small>FDSDELFC</small>	£299 <small>FDSDE4FC</small>	£395 <small>FDSDE6FC</small>
<b>C</b> Fully printed	£454 <small>FDSGZBFC</small>	£575 <small>FDSGZ4FC</small>	£729 <small>FDSGZ6FC</small>

## 3 Then add your WALLS

Most people finish their gazebo with walls. The most popular combo is one full height back wall and two half height sides. Half height walls include a hanging rail – put on the front to hide a table if selling stuff over the counter.

	3x3m		3x4.5m		3x6m	
	SINGLE SIDED	DOUBLE SIDED	SINGLE SIDED	DOUBLE SIDED	SINGLE SIDED	DOUBLE SIDED
Back full height	£119	£215	£169	£335	£238	£430
Side half height	£98	£147	£98	£147	£98	£147
Side full height	£119	£215	£119	£215	£119	£215
Front half height	£119	£215	£130	£203	£196	£294

## ROLLER BANNERS

Contains: Easily to display large posters

**These portable Roller Banners are ideal for indoor exhibitions and permanent office displays.**

Choose from either economic 440gsm PVC poster or 410gsm greyback Opaque film material which prevents light from passing through and minimises curling on the sides.

Both substrates are printed using latex inks which gives them a scratch, UV and water resistant finish.

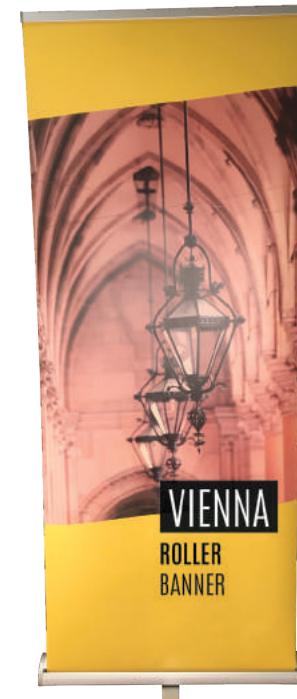

Each includes banner stand, pole, single sided poster and carry case.

**\* TIP**

When ordering multiple quantities you are ordering more than 1 of the same design. For banner stands with different designs, add more items to your basket.

## BANNERS

Contains: Simple branding solutions

**Whether they are going to be used indoors or outdoors, we have a Banner to suit every environment.**

For outdoor displays, choose the Reykjavik Outdoor Banner or the PVC Banner which is available in a range of standard sizes, as well as bespoke sizes.

For indoor displays, opt for one of the Roller Banners with either a 440gsm PVC poster or a 410gsm Greyback poster which prevents light from passing through and minimises curling on the sides.

All our banners substrates are printed using latex inks which gives them a scratch, UV and water resistant finish.

## RAW FABRIC

Contains: Custom size, multi-purpose fabric

**Printed fabric can be used for many different purposes - not just those featured in this brochure.**

The fabric options on the next page can all be supplied in a 'raw' (unfinished) state.

Printed in full colour and then finished to your specification, use it to create anything from curtains, stage dressings, tablecloths, cushion covers, beanbags, deck chairs, - or something entirely different.

Our seamstresses will relish the opportunity to turn your fabric idea into a reality. Just ask.

**Optional Extras:**

- Hemmed edges
- Eyelets
- Silicone edging

**Product:**
